Fall 2021

FAQ

Q: Do I need to wear a mask or show proof of vaccination to check in?

Yes, until we receive notice from the Mono County Health Department that masks are no longer required, guests are expected to wear masks indoors in our common areas regardless of vaccination status.

No, proof of vaccination is not required to check in to the resort.

Q: Are dogs allowed at the hotel?

We love our dogs up here in the Sierra, however, only ADA certified animals are allowed on the property.

CURRENT EVENTS AT THE HEIDELBERG INN

The Heidelberg Inn team would like to welcome back our “socially distanced” social events and amenities. The spa, BBQ deck, game room and laundry facilities are open, and our popular Thursday ice cream and Sunday continental breakfast are being held weekly. Enjoy one of the best views in town from our recreation terrace located on the hillside behind the resort with a restored horseshoe pit and picnic area and a family favorite - tether ball. With Halloween around the corner, the lobby is decked out for spooky fun for guests and trick-or-treaters.

BOARD OF DIRECTORS

The Heidelberg Inn Board of Directors serve in a volunteer capacity on behalf of the Homeowner’s Association and are elected annually by the membership for two year terms. The nominating committee for the 2022 election has been formed and is now accepting applications for two seats currently up for election next year. All owners are invited to attend in person or vote via proxy ballot at the Annual Meeting of the Membership held annually in March. Please contact the Resort Manager for more information about meeting dates/locations, and applications for board member consideration.

AROUND THE LOOP

Despite closures, restrictions and other COVID limitations, new businesses have managed to spring up. The busy summer saw the reopening of *Carson Peak Inn*, a local’s favorite for decades, serving up thick steaks and those delicious homemade croutons. The former Sierra Inn reopened its doors as the *Balanced Rock Mexican Grill & Cantina*, with everything from tacos to burgers and much more. Events returned to The Loop with the Autumn Beer Festival - a full day of beer tasting, live music and activities hosted by our own June Lake Brewery including fellow breweries from up and down California. A 67 year tradition, the annual Fireman’s BBQ was back and better than ever with a day of BBQ, families, friends, the grand prize fishing boat and a visit from Smokey the Bear. Speaking of bears, they have been spotted throughout the loop at all hours of the day and night as they hunt for food to pack on the pounds for the winter months. Please be “bear aware” and never approach a bear, attempt to feed a bear or leave food or anything in your vehicle that might attract a bear. Help us keep our wild animals wild!

Spooooooky Halloween!
