Spring 2022

### FAQ

**Q: Do all rooms have a view of the lake?**

We would love for all guests to have a view of our beautiful lake from their room, however, this is not the case. You may make a request directly through the front desk, but due to the volume that we receive, we cannot guarantee a lake view.

Our spa deck area and recreation terrace are also great spots to enjoy the view.

**Q: Are masks still required?**

Masks are no longer required for vaccinated individuals.

### CURRENT EVENTS AT THE HEIDELBERG INN

Spring has sprung here in the mountains, which means plenty of good skiing without battling the elements to get to it. The snow has melted around most of the resort and it's time to turn our attention to planning outdoor projects and sprucing up the building exterior, including painting and landscaping.

By offering a competitive wage, benefits, and flexible shifts, we have been fortunate to retain a full staff in light of the shortages being experienced throughout our industry as well as businesses in general. Our front desk is open daily from 8:00am to 10:00pm to assist you with any questions or needs.

### BOARD OF DIRECTORS MEETINGS

Thank you to our Board of Directors and to all owners who participated in our annual meeting and election in March. The amended meeting schedule for the remainder of 2022 has been posted on the website. Meetings may be attended by all owners either in person or via Zoom, and an *Owner Forum* is included on each meeting agenda for owner comment and feedback.

### AROUND THE LOOP

A winter wonderland made possible by a decent mid-December snowstorm brought our ski crowd back to the area for the holiday season. The favorable conditions continued through the early part of 2022, and easing COVID-19 restrictions provided a more relaxed experience for our visitors. Our restaurants are open, the hiking trails are emerging through the snow, and fishing season is right around the corner with an opening date of April 30.

Reservations will be required to visit Yosemite National Park again this year, so be sure to plan accordingly. Our local Chamber of Commerce is a great resource for information on area and local events, including an online store with June Lake shirts, hats, and other logo items [www.junelakeloop.org](http://www.junelakeloop.org).

With increased visitors comes increased bear and other animal activity, so please be "Bear Aware" by disposing of trash in appropriate containers.

Please contact the resort directly at 760.648.7781 for any special needs requests including unit or floor selection.

Enjoy a game of horseshoes on our terrace!
